# CLIENT TESTIMONIALS

*“We have been dealing directly with 2 main partners, Wong Hok Mun and Edmund Liew. We can sincerely vouch that both of them are amongst the finest advocates & solicitors available in Kuala Lumpur. They are always willing to impart their knowledge and provide feedback on legal issues via a simple phone call without any hesitation. Their humility defies their stature, a trait which makes them very un-lawyer like, yet brings out the best in them, both professional and personal wise.” The firm of Messrs. Azim, Tunku Farik & Wong thrives in their leadership and we trust the firm will continue to shine the brightest amidst the ever growing legal landscape of Malaysia.”*

*“I have known Edmund Liew for the past 15 years and he has been a source of invaluable advice. He has strong drafting and technical skills in the areas of conveyancing and banking and has assisted business to achieve the required outcome. I have very high regard for him. He has always been very affable and I have no hesitation in commending him.”*

*“Elaine Koh is diligent and meticulous in her work. She is honest in her assessment of risks and works hard to deliver to expectations. She is responsive and always endeavours to make herself available for discussions even at short notice or at a late time of day, and whether for important issues of strategy or a simple chat to trade views. It has been a pleasure to work with her.”*
